Horse 🤝 human ❤️ heart 🧡 connection

Rescued ponies. Healing hearts. Sacred connections. Fun play.

Stunning villas. Rock pools. Delicious food. Breathtaking sunsets.  
Purposeful. Enriching. Transformational.

# Join us for this heart-expanding experience with Katie to the Horses of Gili

From the moment you land on the island of Gili Trawangan – the largest of three small coral islands between Bali & Lombok – you will know that you have arrived somewhere special. Powder white sand beaches, crystal clear waters, no motorised vehicles, just push bikes & pony carts...you will feel like you have stepped back in time & life breathes at a peaceful pace.

Our days together will be a mix of contribution & exploration. We start our day by cycling to the Horses of Gili stables & meet Tori, the incredible creator of this not-for-profit organisation, rescuing & giving sick, injured & old horses a home for life. Tori will introduce us to our sponsored pony & share with us how all the horses in her care have their own unique emotional traits and are highly intuitive. She will guide us on how to bond & connect with our pony so we can lean in & learn from the exquisite horse-human-heart connection that is ever present. You will be matched with a horse for the duration of our stay, dependent on your experience..or not, and each morning we will walk them to the beach for a swim & a roll in the sand – a fun, bonding & heart enriching experience for all!

The rest of our day will be a mixture of activities & time to just be. Bike rides around the 7km island. Snorkelling in the crystal clear waters marvelling at the abundant marine life. Maybe a massage? Helping Tori at her afternoon clinic. Reading on your day bed in the pool at your villa. Sunset drinks on the beach. Delicious dinners. Belly laughs. Connecting conversations, and so much more...

# A sanctuary in paradise

Our home for 5 nights was born from a passion for sustainability, antique woodcraft & the beauty of nature. You will have your own villa, each exuding its own unique character & energy. Rustic, simple, airy and soothing for the soul. The wood in each of the villas, sourced from old residences in Java, are hand crafted masterpieces immaculately restored by traditional craftsman, are a delight to behold.

Your villa has a private outdoor bathroom on one side & on the other is your stunning rock pool surrounded by lush gardens. Your day bed which seemingly floats on the edge of your pool is the perfect spot for daydreaming, reading or whatever your heart desires.

Enjoy your delicious daily breakfast outside beside the pool. Fresh from the organic garden & surrounding orchards, the food here is nourishing, healthy & a delight for your senses!

You have your own push bike for the duration of your stay to explore the island as you wish.
