

**May 1, 2026**

# Spring Recital

Foundation Music School

# Announcements

## **7th Annual Change Challenge! - in the lobby NOW**

Here's how to play:

- Place your pocket change into your teacher's jar. Change increases the dollar amount in your teacher's jar.
- Place your paper money into other teacher's jars. Paper money decreases the dollar amount in the jars.
- The teacher jar that has the highest dollar amount of change, after deducting the amount of paper money, will win the challenge, and every student in that teacher's studio will receive a treat!
- Bring your change (and paper money) to the recital or to your lesson the week of May 5-9 and let the Change Challenge begin!

## **FMS Wish List**

Please consider supporting FMS by making a tax-deductible donation **HERE** towards one of the wish list items below!
