

* There is no yearly BHS funding total reported by the state. No one agency or individual has oversight over all BHS funding & strategies. This graphic is a general representation of the flow of BHS funds, and does not encompass all of the funding pathways for mental health services in Florida.*

¹Only a portion of Florida's Medicaid Budget goes towards BHS. In 2021, Florida's Agency for Health Care Administration presented that Medicaid expenditures on BHS for children and adults totaled about \$10.2 Billion.

²SAMH contracts with seven Managing Entities statewide to manage the delivery of behavioral health services through a network of local service providers. Managing entities do not receive funding for institutional care services, just community BHS.
