

RESOLUTION 24/25-64

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE BEAR VALLEY COMMUNITY SERVICES DISTRICT FIXING AN ASSESSMENT FOR ROAD MAINTENANCE WITHIN AN ESTABLISHED ZONE OF BENEFIT FOR FISCAL YEAR 2025/26

The Board of Directors of the Bear Valley Community Services District resolves as follows:

Section 1. Findings. The Board finds as follows:

- A. The Bear Valley Community Services District is authorized by Government Code section 61100(l) to acquire, construct, improve, and maintain streets, roads, and rights-of-way, bridges, culverts, drains, curbs, gutters, sidewalks, and any incidental works.
- B. Government Code sections 61140 and 61144, respectively, authorize the establishment of a zone of benefit for certain services and the fixing and levying of an assessment to support such services within the boundaries of the zone.
- C. On May 11, 1996, by Resolution 96-877, the District proposed to establish such a zone in order to levy an assessment within such zone for the purposes of road maintenance and improvements. A public hearing was scheduled to be held on July 13, 1996, at which time the District heard any public comments and protests regarding the proposed assessment.
- D. The District has established such a zone on May 11, 1996 by Resolution 96-877 in order to levy an assessment within such zone for the purposes of road maintenance and improvements. The zone is shown in Exhibit A to this resolution .
- E. The proposed assessment fully complies with Article XIII D Section 5(d) of the California Constitution (Proposition 218), which allows assessments which previously received majority voter approval to continue without undergoing a new assessment procedure and approval process until the amount of the assessment is increased.
- F. The proposed assessment of three hundred and forty dollars (\$340.00) per parcel/per year does not exceed the maximum assessment that was previously established by Resolution 96-877, and as such does not constitute an increase in the assessment under Government Code section 53750(h)(1).
- G. The proposed assessment does not exceed the estimated reasonable cost of providing the road maintenance services and improvements for which the

assessment is imposed.

Section 2. Levy of Road Maintenance Assessment. The Board hereby levies an assessment for Fiscal Year 2025/26 to be imposed on the parcels within the zone of benefit identified in Exhibit A, on file in the District office, for the purposes of road maintenance and improvements.

Section 3. Collection of Assessment. The road maintenance assessment imposed by this Resolution will be collected on the tax roll at the same time and in the same manner as the collection of general taxes levied and collected by the County of Kern.

Section 4. Effective Date. This Resolution is effective for the District's fiscal year beginning July 1, 2025.

Section 5. Transmittal to County. The Secretary of the Board of Directors is directed to transmit certified copies of this Resolution to the Clerk of the Board of Supervisors of Kern County and to the County Auditor-Controller-County Clerk
