JUNE 2025

A NOTE FROM MS. DAVENPORT

It's hard to believe the school year is already coming to a close; it feels like just yesterday I was setting up my classroom for my seventh year at CSPA. Time truly flies!

We're excited to celebrate the end of the year with our annual school picnic at Bishop Lake on Wednesday, June 18th. Students are encouraged to join us for a fun and relaxing day with friends before summer begins.

Our last day of school will be Thursday, June 19th. We'll start the morning with a special advisory breakfast, followed by a field day filled with games and activities to wrap up the year on a high note.

Thank you for another fantastic year! I'm already looking forward to welcoming everyone back in the fall! Have a great and safe summer!

Ms. Davenport

Friday, June 13th	A Day	A and C Blocks
Monday, June 16th	A Day	B and D Blocks
Tuesday, June 17th	B Day	B and D Blocks

FOCUS OF THE MONTH: OPTIMISM

Optimism is a powerful mindset that can make a big difference in a high school student's life. When students approach challenges positively, they're more likely to persevere through setbacks, stay motivated, and find creative solutions to problems. Optimism also contributes to better mental health, stronger relationships, and a more supportive school environment. Whether it's preparing for exams, trying out for a team, or setting goals for the future, believing that success is possible can lead to real, lasting progress. Encouraging optimism helps build a school culture where everyone feels empowered to do their best and support one another.
