

Sentinel Athlete,

Thank you for being a valued part of our team this season. Your dedication, hard work, and team spirit helped make this a memorable year for all of us. As the season is coming to a wrap we wanted to send a friendly reminder to:

1. Return your washed uniform back to the Athletic Department, or Mrs. Knickerbocker at the front desk, after your last game/match/race. Uniforms should be laundered and returned with the tear off slip below. Any student that fails to return their uniform at the end of the season will not be able to start a new sports season until the uniform is returned or payment is made.

2. Check the Tuesday Times for information on when this season's Athletic Awards Night will take place. All uniforms must be returned before the Athletic Awards Night. This helps us prepare for next year and ensures that everything is ready for future athletes.

If you have any questions about your uniform or need help returning it, feel free to reach out. Thanks again for a great season—I'm proud of all we accomplished together!

Go Sentinels!

Warm regards,

Coach _____
