

Meet Mr. Ellis

Welcome to the
2025-2026 School Year!
I am so excited to be
your child's advisory
teacher! Please contact
me anytime and I look
forward to furthering
your student's goals
together.

Meet the Teacher

- This is my 3rd year in the CSA District.
- Reading is my passion and one of my major goals this year is to incorporate reading targets into all aspects of the curriculum.
- I graduated from The University of Michigan in December 2019 with a Master of Arts in Education.

Wallace is the first cat I adopted from a kitten. My wife and I fostered Wallace as a 4 week old that was recovering from an eye enucleation surgery and fell in love with his unique personality and charm.

Lincoln is our second cat and he was adopted from HSHV in June of 2021. He is incredibly affectionate and loves to be pet and spend time with Wallace.

Lincoln!**

I am looking forward to working with you as we create an environment where your child can reach his or her full potential academically, socially, and emotionally. I believe that communication will be the key contributor in helping your child develop their intellect and character, and I encourage you to contact me if you have any questions or concerns at any time. The best way to contact me is through email. I will also do my part by putting together a newsletter to update you on what we have been doing in class as well as inform you of any upcoming events which will be published in CSA District's Tuesday Times.
