

# Meet the Teacher, Mrs. Sargent!

Email: [msargent@csaschool.org](mailto:msargent@csaschool.org)

## Note from the TEACHER

**Classroom Goals:** Create a classroom environment that:

- Encourages curiosity and questions.
- Builds confidence in problem-solving.
- Makes learning science fun and engaging for everyone.

### What to expect in class:

- Tackle problem-solving challenges.
- Work collaboratively.
- Smart Character choices the CSAMS way!

Kindness, Optimism, Getting Along, Responsibility, Respect, Work Ethic.

## Advisory Class NEWSLETTER

Dear Families:

I am thrilled to introduce myself as a Pod A Middle School Teacher specializing in science. I am excited to embark on the first year middle school learning journey with your student. I hope to inspire curiosity, foster critical thinking, and demonstrate how science connects to the world around us.

### Who is Mrs. Sargent?

Let me share a little about myself! I have three incredible young adult sons, who all played travel ice hockey while growing up. Our family spent 15 years in Eastern Pennsylvania. We spent lots of time exploring the East Coast and its hockey rinks! That was a busy time! But now, two of them are away at college, and I spend most of my time with my fantastic husband and a lively dog-a Vizsla named Sparty. My husband and I love taking Sparty on hikes at Kensington, during which we often observe fascinating science phenomena and horses! I also like to bake, paint and read! I look forward to your partnership and an amazing year with your student!

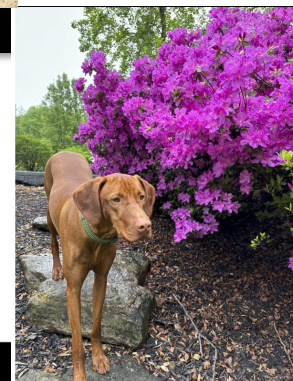

In partnership with you,

Mrs. Sargent

My family at camp Michigania!

Sparty!

### How you can help:

- Encourage your student to share what they are learning in school each day.
- Help them be well rested and work on essential skills such as multiplication facts.
- Set aside a quiet space to encourage your child to read 30 minutes a day outside of school.
- Stay connected by checking in with your child and emailing me with questions, concerns, or just to say hello!
