PREPARATORY ACADEMY

September 2025

A note from Mrs. Petricca

Welcome to the 2025-26 school year! I am so excited to start the new year and get to know the incoming juniors better in my advisory and I can't wait to see where senior year takes our seniors. This year will be filled with fun events, celebrations, and many achievements. Please know that I am always available to parents and students. Reach out by email at epetricca@csaschool.org
