## MEET MRS. EDWARDS

I am overjoyed to begin year 8 here at CSA, 10th in my teaching career focusing on elementary art. My husband and I do live in Sterling Heights, but it is such a joy to work with your children and my staff family that the drive is worth every minute! I enjoy being a dog mom to my dog Mia. We love to go for walks and enjoy being outside. I love reading and creating in my spare time. My husband and I are guardians to my brother-in-law, Kyle who keeps us up to date on all things sports. He is an avid Detroit Sports fan.

I am excited to announce that our CSA Elementary Art Show theme this year is CSA's Festival of Food. We are exploring the world and art of food. Students will be learning about different artists that explore this concept. We will be sewing, sculpting, and drawing out food!
