A new School Year!

Welcome to the 2025-26 school year! We're already having a lot of raucous fun with party games and Mario Bros tournaments.

We also have about half our advisory that plays Dungeons and Dragons, so I will figure out a way to incorporate that into a Fun Friday as well.

I will an email reminder about this as well — please send me the PARENT questions that I gave out during Open House. I always want to hear from advisory families! :)

Mr Minner's Message

I'm a big believer in fun, so you'll see a lot in here about the community-building activities we have in Advisory.

I'm also here to support the whole child: academically, intellectually, and emotionally. Please email me anytime you have a concern - that's what advisory teachers are for!
