

Mihm Advisory Newsletter

Dear Families,

I hope everyone has had a wonderful end of the summer as we enter Fall! The first month of the school year has finally come and gone. With it, I have had a chance to reconnect with returning advisory students and begun getting to know all of our new Juniors. We have already had our first advisory party where students got together to eat pancakes, eggs, and many other breakfast snacks that they worked together to provide. After the success of the first party students have been excited to plan more! If you have any fun advisory party ideas or would like to help out, please contact me any time and we can collaborate for the benefit of all of the advisory students.

This month marks a few important days for students and parents to add to their calendars. We will be PSAT/NMSQT testing on Tuesday, October 7 and all students need to be in attendance, preferably by 8:30am so testing can begin on time. The next important dates are for the Fall CSR's. I cannot believe it is already that time again! It feels like we were just sitting down with families for Spring CSR's, but it is a welcomed time of the year because we can learn so many new things about new advisory students and work towards helping every student succeed at their highest level. If there are any updates to the monthly schedule I will be reaching out via email to everyone. As always, if you have any questions, comments, or concerns please always feel free to contact me.

- Alec Mihm

October At-a-Glance:

Wednesday, October 1 - Fall Count Day

Tuesday, October 7 - PSAT/NMSQT Testing Day

Saturday, October 11 - Fall Ball @ Dunham Hills Golf Club (7:00- 9:00)

Thursday, October 23 - No School, Comprehensive Student Reviews

Friday, October 24 - No School, Comprehensive Student Reviews

Uniforms

With the cooling weather, please make sure students are wearing uniform-approved sweaters, shirts, pants, and skirts. For those opting to wear skirts, we recommend considering tights, as leggings are not part of our dress code.

Big Future by The College Board

For our upperclassmen students, the idea of what comes after high school can sometimes be overwhelming and intimidating and it can be difficult even to know where to start. One helpful resource is the Big Future College Search through the College Board website. You can search colleges by multiple factors including location, school size, educational and extracurricular opportunities, acceptance rate, and more. Check it out using the link below:

<https://bigfuture.collegeboard.org/>
