

Knipple October Newsletter

Hello wonderful Families,

We are one month in! I feel that we are all back in the groove of school and the weeks are going quick. We have count day next week, so make sure everybody is here:) We have testing coming up on the 7th of October. It is going to be important for the juniors to see where they stand before the actual SAT happens in April.

The Fall Ball (homecoming) is coming up on the 11th of October. Encourage your child to have some fun outside of school. I always try to encourage students to participate in dances, athletic events, school productions, or any school function to enhance their experience.

And finally, we have CSR's coming up on the 23rd and 24th of October. I will be sending out an email with the signup genius link if I have not already done so. So be on the lookout. I can't wait to meet with all of you and discuss your wonderful child.

P. S. G0000 LIONS:)

Have a great day everyday! It is your choice:)

Uniform Policy

As our new school year kicks off, it is important to help students remember some key aspects of our uniform policy. Thank you for helping us ensure that all students are:

- Refraining from wearing jeans or athletic pants
- Refraining from wearing hoodies or sweatshirts

- Wearing regalia on every Monday
