

OCTOBER Music Notes

During the month of October, Kindergarten students will be focusing on using different types of voices (whisper, speaking, singing, etc.) and will be introduced to simple vocal warm ups. They will also be using equipment like the stretchy band, parachute, and scarves to sing along with songs while moving to the beat.

Navigator through Explorer students will also start working on their vocal warm-ups at the beginning of each class. They will be using boomwhackers and other unpitched instruments to play along with music on the music screen. Students will rotate through different pitches and instruments, continue to build their fundamentals in simple rhythm, and play together as an ensemble.

Classroom Donations:

- If you or someone you know has an electronic keyboard/piano that is no longer being used, we would love to give it a new home in the CSA Music Room! This will allow students to have a keyboard unit later in the school year.

Please do not hesitate to reach me at:
kyamaguchi@csaschool.org for any questions or concerns.
