October 2025

A Note from Ms. Verklan

I hope that the school year has been off to a good start! I am really enjoying my classes so far. It's always fun to see new students in classes, but even better to see familiar faces of students I've had for the past few years.

October is a busy month! We have PSAT/NMSQT testing on October 7th for our freshmen, sophomores, and juniors. That day seniors will have the opportunity to work quietly on their extended essays.

Fall Ball will once again be at Dunham Hills Golf Club. It will be Saturday, October 11th from 7:00 to 9:00. Dinner will not be provided so please make sure your students eat beforehand.

Lastly, our fall comprehensive student reviews will be Thursday, October 23rd, and Friday, October 24th. Please be on the lookout for a signup genius to schedule a time to meet.

As always, if you have any questions or concerns, please reach out to me via email.

Big Future

by The College Board

For our upperclassmen students, the idea of what comes after high school can sometimes be overwhelming and intimidating and it can be difficult even to know where to start. One helpful resource is the Big Future College Search through the College Board website. You can search colleges by multiple factors including location, school size, educational and extracurricular opportunities, acceptance rate, and more. Check it out using the link below:
