

Wyrzykowski Advisory Newsletter

October, 2025

Dear Advisory Families,

Welcome to October! This month in Advisory, we are working on building community through different group activities, as well as creating an advisory shirt.

October is a busy month. We have PSAT/NMSQT testing on October 7th for all Juniors. On that day, Seniors have the opportunity to work on their Extended Essay.

Additionally, Fall Ball is at Dunham Hills on Saturday October 11 from 7-9, the first dance of the year. Finally, Fall CSRs are October 23 and 24. I will send out a sign up genius next week to reserve your time slot. As always, feel free to email me with any questions

In partnership with you,
Mr. Wyrzykowski

Senior Reminders

- Finalize your college list
- Create your personal checklist of deadlines (Early Action/Decision, Regular Decision). kollegio.ai can help with this!
- Early Action/Early Decision deadlines are coming (typically November 1 or 15).
- Ask for letters of recommendation

CSA District Core Beliefs

We Believe in:

- The education of the “whole child.” We address each student’s academic/ intellectual, social/emotional, moral/character and physical/sensory needs as we engage them in educational experiences.
- Providing an education for students that honors their growth and development.
- The importance of holding high expectations for our students’ progress and success in their academic/intellectual, social/emotional, moral/character, and physical/sensory achievements.
- Using identified “best practices in education” as indicated by valid research in the field.
- Continuous improvement activities as the vehicle for achieving and sustaining a standard of educational excellence.
- The meaningful and purposeful involvement of all stakeholders in the education of our students.

COMMUNITY SERVICE HOUR OPPORTUNITIES
