## A Note from Mr. Johnson

It was great meeting with everyone during CSRs! I really enjoy the CSR Process at CSPA and the the discussions definitely help me with working with my advisory students throughout the year.

Progress reports will be sent home on November 14<sup>th</sup>. I am anticipating that students overall will be excited to share their academic progress to this point but in the case that there are any academic concerns feel free to reach out through email and I can update you on the progress that students are making directly.

We are starting to prepare early this year for our Annual Beluga Ball that will be held on Saturday, March 21, 2026. This is CSA District Parent Council's largest fundraising event. The Beluga Ball, which features a Silent and Live Auction, will once again be virtual this year. It is inspiring to see our community come together to raise money that will be dedicated to the enhancement of educational programs for ALL CSA District students.

Our Advisory will be creating a basket(s) for the silent auction portion of the Ball. Our basket theme this year is "Detroit Lions".

We would like to start collecting items to put into our basket. All items must be new and we need to know the retail value of the item(s) that you donate. The items can be purchased at a store (even on clearance) or items that you would like to re-gift. If you would like to donate for the classroom basket, but don't want to go shopping, you can Venmo our class Beluga Ball Rep, Lindsay Palizzi, and she will be happy to purchase items on your behalf. Her Venmo is below. We are looking to collect any Detroit Lions items such as: Hats, shirts, key chains, playing cards, coasters, bumper stickers, etc.

Feel free to send your items in with your student and I will collect them in the classroom to get to Mrs. Palizzi, or you can email her directly at [lpalizzi@csaschool.org](mailto:lpalizzi@csaschool.org) to coordinate getting the items to her for basket assembly. I'd like to thank you in advance for supporting our Advisory basket efforts for this worthy cause...your student!:-)

## High Expectations

At CSA, we believe every student can achieve amazing things.

We know that each student has unique talents, strengths, and potential, and we're here to help them shine. That's why we set high expectations for all our students. It's not about pressure; it's about believing in what they're capable of and supporting them every step of the way.

Research shows that when teachers truly believe in their students, those students learn and grow even more. At CSA, we see that every day. When we aim high together, students not only meet goals they often surprise themselves with how much they can accomplish.

We're proud to be a community where students feel encouraged, families feel supported, and everyone works together to help our learners reach their full potential.
