Mihm Advisory Newsletter

Dear Families,

Thank you to everyone who signed up and came in for your student's CSR! It is such a wonderful experience getting to learn new things about juniors and continuing to work with seniors and their families on preparing for the future. I know that time is valuable and we appreciate you taking the time to come in and spend your day discussing how we can best support all of our wonderful students. Please know that if you ever have a concern or question about your student you do not need to wait until conferences to have that discussion. I am available through email or phone call to answer your questions and concerns, and by appointment in person to meet about especially important issues.

- Alec Mihm

Uniforms

With the cooling weather, please make sure students are wearing uniform-approved sweaters, shirts, pants, and skirts. For those opting to wear skirts, we recommend considering tights, as leggings are not part of our dress code.

Big Future by The College Board

For our upperclassmen students, the idea of what comes after high school can sometimes be overwhelming and intimidating and it can be difficult even to know where to start. One helpful resource is the Big Future College Search through the College Board website. You can search colleges by multiple factors including location, school size, educational and extracurricular opportunities, acceptance rate, and more. Check it out using the link below:
