November 2025

A Note from Ms. Verklan

It was great seeing most of you at our fall comprehensive student reviews. Even though seniors are pretty independent at this point, it is still really great to check in throughout the year to make sure that they're keeping up on everything they need to. And for seniors, it's a lot: college applications, scholarships, requesting transcripts, etc.

Senior portraits for the yearbook will be taken on Friday, November 14th by Mrs. Emily Wilson, a former CSPA teacher! Seniors are expected to be in full regalia for their portraits including their blazer.

As always, if you have any questions or concerns, please reach out to me via email.

Big Future by The College Board

For our upperclassmen students, the idea of what comes after high school can sometimes be overwhelming and intimidating and it can be difficult even to know where to start. One helpful resource is the Big Future College Search through the College Board website. You can search colleges by multiple factors including location, school size, educational and extracurricular opportunities, acceptance rate, and more. Check it out using the link below:
