

Wyrzykowski Advisory Newsletter

November, 2025

Dear Advisory Families,

It was great seeing most of you at our fall comprehensive student reviews. Even though seniors are pretty independent at this point, it is still really great to check in throughout the year to make sure that they're keeping up on everything they need to. And for seniors, it's a lot: college applications, scholarships, requesting transcripts, etc.

Senior portraits for the yearbook will be taken on Friday, November 14 by Mrs. Emily Wilson, a former CSPA teacher! Seniors are expected to be in full regalia for their portraits including their blazer. If your senior has not already signed up for a time to have their portrait taken please use the following link to do so.

As always, if you have any questions or concerns, please reach out to me via email.

In partnership with you,
Mr. Wyrzykowski

CSA District Core Beliefs

We Believe in:

- The education of the “whole child.” We address each student’s academic/ intellectual, social/emotional, moral/character and physical/sensory needs as we engage them in educational experiences.
- Providing an education for students that honors their growth and development.
- The importance of holding high expectations for our students’ progress and success in their academic/intellectual, social/emotional, moral/character, and physical/sensory achievements.
- Using identified “best practices in education” as indicated by valid research in the field.
- Continuous improvement activities as the vehicle for achieving and sustaining a standard of educational excellence.
- The meaningful and purposeful involvement of all stakeholders in the education of our students.
