## Mihm Advisory Newsletter

---

### Dear Families,

I hope everyone had a wonderful Thanksgiving! It is always a wonderful opportunity to get together with friends and family and spend time together. As an advisory we had a great advisory family Thanksgiving that students heavily participated in, sat together, and had a wonderful time chatting and eating great food. It is amazing the amount of positive culture this group has created and I really look forward to seeing what else they are capable of. With the holidays continuing, there are a few important dates coming up. First is the CSPA and CSAMS band and choir concerts on December 11th, then the Third Annual Upperclassman Winter Lunch on Tuesday, December 16. A sign-up for volunteering time, food, or donating money to the cause will be coming soon. Both the concert and the lunch are amazing opportunities for students to support each other, spend some quality time socializing and hanging out, and, in the case of the winter lunch, eating some great food. If you have any questions about any of these events please reach out.

## Uniforms

With the cooling weather, please make sure students are wearing uniform-approved sweaters, shirts, pants, and skirts. For those opting to wear skirts, we recommend considering tights, as leggings are not part of our dress code.

### **Big Future** by The College Board

For our upperclassmen students, the idea of what comes after high school can sometimes be overwhelming and intimidating and it can be difficult even to know where to start. One helpful resource is the Big Future College Search through the College Board website. You can search colleges by multiple factors including location, school size, educational and extracurricular opportunities, acceptance rate, and more. Check it out using the link below:
