

Wyrzykowski Advisory Newsletter

December, 2025

Dear Advisory Families,

As we step into December, we're wrapping up the year with excitement, gratitude, and a full calendar of events! This month brings a mix of celebration, reflection, and winter cheer as we head into the holiday season.

I wanted to take this opportunity to provide you with an update regarding my upcoming leave. As many of you know, my family is currently expecting Baby #2, and the forecasted due date was originally February 20th, which is when I was planning to take a leave of absence. However, the due date has been moved up to Dec 20th. Everyone is healthy and doing fine, but this does mean that I will be out earlier than expected. Once we go on Winter Break, I won't be back in the classroom until Feb 23. Mr. Stewart and administration are working on securing my long-term sub for that time period. I will reach out with new information as it becomes available.

As always, if you have any questions or concerns, please reach out to me via email.

In partnership with you,
Mr. Wyrzykowski
