

Klaver Advisory

January 2026

Hello Advisory Families,

Happy New Year! I hope you all had a restful and enjoyable break. January always feels like a fresh start, and our advisory is jumping back in with focus and determination.

As we begin the month, students have two short weeks to wrap up the semester before final exams. This is an important (and busy!) time, and we've been talking about using class time wisely, staying organized, and finishing strong.

Any missing work should be turned in at the student's earliest convenience and made a priority. Taking care of incomplete assignments now will help reduce stress as we head into finals and ensure students are putting their best foot forward to close out the semester.

I'm proud of the effort students are showing and appreciate your continued support at home. Please don't hesitate to reach out if you have questions or need clarification as we move through this final stretch of the semester.

Thanks for all you do, and here's to a strong start to 2025!

Mrs. Klaver

WINTER UNIFORM REMINDER

As the weather cools, students can stay warm and in uniform! Cozy layering options include solid black or maroon sweaters, cardigans, or CSPA quarter-zips. Jackets and hoodies should be kept in lockers during the day. While winter boots aren't part of the uniform, students are welcome to swap into uniform shoes once inside. For those rocking skirts, tights or lined leggings are a great way to stay comfy and warm, but blankets, however, will need to stay home.
