

# MUELLER ADVISORY

January 2026

## Dear Advisory Families,

Welcome back from break and to the year 2026! I hope you had a restful and joyful Christmas break. As we return to school, please remember that the end of the semester is quickly approaching. This is an important time for students to stay focused, complete assignments, and finish strong. The finals schedule can be found on our newsletter.

January is also a special and exciting month for me personally. This will be the final month our group is known as Mueller Advisory, as I will be getting married on January 31st.

Beginning in February, we will officially become Gilpin Advisory. Thank you for celebrating this milestone with me!

As always if you have any questions or concerns, please don't hesitate to reach out!

## Reminders

## Work Ethic

At CSA, we encourage students to make positive character choices, and you'll see these traits highlighted in every classroom. One of our key traits is work ethic.

As students approach finals and prepare for the next semester, a strong work ethic helps them stay focused, organized, and motivated. It builds perseverance and responsibility, allowing students to manage their time, meet deadlines, and perform their best on exams.
