## Mihm Advisory Newsletter

---

### Dear Families,

I hope everyone had a wonderful holiday season! Having time to spend with family and friends for the holidays is the best time of the year. I was able to see my parents, brothers, sister-in-laws, nieces and nephews, and as many friends as possible to exchange great conversation, watch football, and celebrate this wonderful time of the year. There are a few really important dates coming up for students. Below is the schedule for finals week starting on Tuesday, January 20 and ending Friday January 23. Students should be complete with all work for classes before final exams start. I will be working with advisory students on getting any work completed and turned in before this time so that everyone is ready to move on to the second semester with fewer worries. If you have any concerns or questions please reach out. We all need to be supporting these amazing young people to prepare and be successful in finishing up the first semester and I appreciate all of the support and help that these students receive at home. Have a wonderful January!

## Uniforms

With the cooling weather, please make sure students are wearing uniform-approved sweaters, shirts, pants, and skirts. For those opting to wear skirts, we recommend considering tights, as leggings are not part of our dress code.
