A Note from Ms. Verklan

Happy New Year! I hope that everyone has a relaxing two weeks off from school. I celebrated my birthday and my brother came into town from Colorado so it was nice to see him. I also rang in the new year with my friends and cats- I even managed to stay up until midnight!

I'm really looking forward to January because I get to travel to Rome for a training trip. Because I will be leading our abroad trip this year, the tour company is having me do a training trip to prepare to be a group leader. It will be a nice break from the ice and snow!

As finals are approaching, please remind students that they should be checking Powerschool to make sure that they are not missing any work and asking their teachers what will be expected going into next semester. Some students will have a new elective, but everything else should remain the same.

As always, if you have any questions or concerns, please reach out to me via email.

Friday, January 23rd - B Day, B and D Block Finals

Monday, January 26th - Start of Semester Two

Friday, January 30th - Report Cards Go Home

Big Future by The College Board

For our upperclassmen students, the idea of what comes after high school can sometimes be overwhelming and intimidating and it can be difficult even to know where to start. One helpful resource is the Big Future College Search through the College Board website. You can search colleges by multiple factors including location, school size, educational and extracurricular opportunities, acceptance rate, and more. Check it out using the link below:

<https://bigfuture.collegeboard.org/>
