A Note from Mr. Johnson

I hope that everyone had a great holiday break!

We only have a few weeks left until the semester ends. It is very important that students monitor their grades so that they can finish their semester with high marks!

I am fully anticipating high marks across the board from the high performing students in my advisory. As we move towards the end of the semester please reach out to me through email if you have any concerns.

We are starting to prepare early this year for our Annual Beluga Ball that will be held on Saturday, March 21, 2026. This is CSA District Parent Council's largest fundraising event. The Beluga Ball, which features a Silent and Live Auction, will once again be virtual this year. It is inspiring to see our community come together to raise money that will be dedicated to the enhancement of educational programs for ALL CSA District students.

Our Advisory will be creating a basket(s) for the silent auction portion of the Ball. Our basket theme this year is "Detroit Lions".

We would like to start collecting items to put into our basket. All items must be new and we need to know the retail value of the item(s) that you donate. The items can be purchased at a store (even on clearance) or items that you would like to re-gift. If you would like to donate for the classroom basket, but don't want to go shopping, you can Venmo our class Beluga Ball Rep, Lindsay Palizzi, and she will be happy to purchase items on your behalf. Her Venmo is below. We are looking to collect any Detroit Lions items such as: Hats, shirts, key chains, playing cards, coasters, bumper stickers, etc.

Feel free to send your items in with your student and I will collect them in the classroom to get to Mrs. Palizzi, or you can email her directly at lpalizzi@csaschool.org to coordinate getting the items to her for basket assembly. I'd like to thank you in advance for supporting our Advisory basket efforts for this worthy cause...your student:-)

Focus of the Month: Work Ethic

At CSA, we encourage students to make positive character choices.

As you walk around our campuses, you will notice an emphasis placed on work ethic in every classroom.

Work ethic is essential for high school students as they approach their semester finals. A strong work ethic helps students stay focused, organized, and motivated. Students who focus on putting forth consistent effort are able to meet deadlines with confidence while building their perseverance and responsibility.

Semester One Finals Schedule
