January 2026

A Note from Ms. Kowalski

Hello, Advisory Families!

Welcome back from break and the year 2026! I hope you had a restful and joyful Christmas break!

As we return to school, please remember that the end of the semester is quickly approaching. This is an important time for students to stay focused, complete assignments, and finish strong. The finals schedule is on page 2 of our newsletter.

Thank you for your continued support as we head into these final weeks!

Focus of the Month: Empathy

At CSA, we encourage students to make positive character choices. As you walk around our campuses, you'll see these character traits highlighted in every classroom. One of our key traits is work ethic.

Work ethic is essential for high school students as they approach finals week and begin preparing for the next semester. A strong work ethic helps students stay focused, organized, and motivated, allowing them to manage their time well and meet deadlines with confidence. It also builds perseverance and responsibility, skills that support academic success.

By strengthening their work ethic, students are better prepared to do their best on finals and develop habits that will serve them well in school and in future opportunities beyond the classroom.

Winter Uniform Reminder

As the weather cools, students can stay warm and in uniform! Cozy layering options include solid black or maroon sweaters, cardigans, or CSPA quarter-zips. Jackets and hoodies should be kept in lockers during the day. While winter boots aren't part of the uniform, students are welcome to swap into uniform shoes once inside. For those rocking skirts, tights or lined leggings are a great way to stay comfy and warm, but blankets, however, will need to stay home.
