## HAPPY JANUARY!

And Happy New Year!

We are quickly approaching the end of the semester, and that means that it is more important than ever that students are proactively communicating with their classroom teachers and are using class time effectively! I will be working to check in with students as much as possible over the time to ensure that they feel supported as the semester draws to a close.

If you have not yet, please consider contributing to our Beluga Ball Basket!

## WORK ETHIC

At CSA, we encourage students to make positive character choices. As you walk around our campuses, you'll see these character traits highlighted in every classroom. One of our key traits is work ethic.

Work ethic is essential for high school students as they approach finals week and begin preparing for the next semester.

A strong work ethic helps students:

- Stay focused
- Stay organized
- Stay motivated

This will help them to manage their time well and meet deadlines with confidence. It also builds perseverance and responsibility, skills that support academic success.

By strengthening their work ethic, students are better prepared to do their best on finals and develop habits that will serve them well in school and in future opportunities beyond the classroom.

- A Day, A and C Block Finals

Thursday, January 22nd

- B Day, B and D Block Finals

Friday, January 23rd

- A Day, B and D Block Finals

## UNIFORM REMINDER

As the weather cools, students can stay warm and in uniform! Cozy layering options include solid black or maroon sweaters, cardigans, or CSPA quarter-zips. Jackets and hoodies should be kept in lockers during the day. While winter boots aren't part of the uniform, students are welcome to swap into uniform shoes once inside. For those rocking skirts, tights or lined leggings are a great way to stay comfy and warm, but blankets, however, will need to stay home.
