

Wyrzykowski Advisory Newsletter

January, 2026

Dear Advisory Families,

Happy New Year! I hope you were able to see friends and family over the break. At the Wyrzykowski household, we have been over the moon to welcome our newest and smallest family member, Celestine Marie, at 4 lbs and 6 oz. She was born on December 21st, and was finally able to come home on January 4th. Orson is already proving to be the best big brother ever.

Until I return on February 23rd, my classes and my advisory are in the capable hands of Ms. Shannon Duff.

As finals are approaching, please remind students that they should be checking Powerschool to make sure that they are not missing any work and asking their teachers what will be expected going into next semester.

As always, if you have any questions or concerns, please reach out to me via email.

In partnership with you,
Mr. Wyrzykowski

Senior Reminders

- Submit Regular Decision applications (most deadlines are in January).
- Check college application portals for missing materials (transcripts, letters, test scores).
- Keep applying for scholarships!
- Keep grades up for those mid-year transcripts!
- Keep a list of admission decisions once you receive them

CSA District Core Beliefs

We Believe in:

- The education of the “whole child.” We address each student’s academic/ intellectual, social/emotional, moral/character and physical/sensory needs as we engage them in educational experiences.
 - Providing an education for students that honors their growth and development.
 - The importance of holding high expectations for our students’ progress and success in their academic/intellectual, social/emotional, moral/character, and physical/sensory achievements.
 - Using identified “best practices in education” as indicated by valid research in the field.
 - Continuous improvement activities as the vehicle for achieving and sustaining a standard of educational excellence.
 - The meaningful and purposeful involvement of all stakeholders in the education of our students.
