

Klaver Advisory

February 2026

Hello Advisory Families,

February is shaping up to be a busy and exciting month for our advisory! Our Hike for Humanity will take place just before Mid-Winter Break, giving students a meaningful opportunity to reflect, connect, and give back. More details to come!

We're also looking forward to Snowcoming dance later this month—always a fun highlight and a great way for students to celebrate the winter season together.

I also want to congratulate students on wrapping up their first semester. Finals can be stressful, and they did a great job communicating with teachers, advocating for themselves, and seeking support when needed.

Thank you to the families who have donated snacks and game items for advisory. Your generosity helps create a welcoming and supportive space for students.

As always, please feel free to reach out with any questions. Thank you for your continued support!
