

GILPIN ADVISORY

February 2026

Dear Advisory Families,

February is already here, and it's shaping up to be a busy and exciting month! One highlight is our annual Hike for Humanity, taking place the day before mid-winter break. This event is one of my favorites each year, it's wonderful to see our students come together to support a meaningful cause and give back to the community.

Snowcoming will be held on Saturday, February 21st from 7:00–9:00 p.m. at Dunham Hills Golf Club. This year's theme is Winter in Paris, and students are already buzzing with excitement!

As always, if you have any questions or concerns, please don't hesitate to reach out.

Reminders

As temperatures drop, students can stay warm while remaining in uniform. Approved layering includes solid black or maroon sweaters, cardigans, or CSPA quarter-zips. Jackets and hoodies should be stored in lockers during the day.

Upcoming Events

- Friday, February 6th– Report Cards Go Home
- February 13th–16th– No School For Students
- February 21st– Snowcoming

GILPIN ADVISORY

February 2026

Focus of the Month: Caring

This month, we are focusing on the IB Learner Profile trait Caring. Being caring means showing kindness, empathy, and respect toward others. Caring students think about how their actions affect those around them and look for ways to make a positive impact both in and out of the classroom.

At school, this looks like helping classmates, listening respectfully, including others, and standing up for what is right. Caring also extends beyond school through helping the community, caring for the environment, and making thoughtful everyday choices.

We are proud of the many ways our students show care and kindness each day and encourage everyone to continue making our classroom and community a better place.
