## A Note from Mr. Johnson

Semester One is over and I am very proud of the academic performance of my advisory students. The sophomores have continued to focus in on receiving high marks from last year and the freshman have been working hard since their arrival this fall.

We will have an advisory hooded sweatshirt available soon (the link to purchase will be sent to students and parents via email). Students are able to wear advisory sweatshirts on Sentinel Spirit Days.

## Focus of the Month: Caring

**This month, we are focusing on one of the IB Learner Profile traits: Caring.**

**Being caring means showing kindness, empathy, and respect toward others. Caring learners think about how their actions affect the people around them and look for ways to make a positive difference—both in and out of the classroom.**

**In school, caring students:**

- **Help classmates when they are struggling**
- **Listen respectfully to different opinions**
- **Include others and work well in groups**
- **Speak and act with kindness**
- **Stand up for others when something isn't fair**

**Caring doesn't stop at school. It also means:**

- **Helping your community**
- **Taking care of the environment**
- **Being thoughtful and responsible in everyday choices**

**At its core, being caring is about noticing others and choosing to act with compassion.**

**We're proud of the many ways our students show care and kindness every day, and we encourage everyone to keep looking for opportunities to make our school and community a better place.**

## Hike for Humanity

**Our annual Hike for Humanity will take place the day before Mid-Winter Break.**

**This year, we are proud to support the American Legion/VFW, a cause selected by our Student Government Executive Board to honor the memory of our former custodian, Mr. Lou Lacey, who was a cherished member of the CSPA community.**

**Families are encouraged to consider a \$25 donation for participating students. This contribution will count toward student service hours and help support local veterans in our community.**

**We appreciate your continued support in making this meaningful event possible.**

We are starting to prepare early this year for our Annual Beluga Ball that will be held on Saturday, March 21, 2026. This is CSA District Parent Council's largest fundraising event. The Beluga Ball, which features a Silent and Live Auction, will once again be virtual this year. It is inspiring to see our community come together to raise money that will be dedicated to the enhancement of educational programs for ALL CSA District students.

**Our Advisory will be creating a basket(s) for the silent auction portion of the Ball. Our basket theme this year is "Detroit Lions".**

We would like to start collecting items to put into our basket. All items must be new and we need to know the retail value of the item(s) that you donate. The items can be purchased at a store (even on clearance) or items that you would like to re-gift. If you would like to donate for the classroom basket, but don't want to go shopping, you can Venmo our class Beluga Ball Rep, Lindsay Palizzi, and she will be happy to purchase items on your behalf. Her Venmo is below. We are looking to collect any Detroit Lions items such as: Hats, shirts, key chains, playing cards, coasters, bumper stickers, etc.

Feel free to send your items in with your student and I will collect them in the classroom to get to Mrs. Palizzi, or you can email her directly at [lpalizzi@csaschool.org](mailto:lpalizzi@csaschool.org) to coordinate getting the items to her for basket assembly. I'd like to thank you in advance for supporting our Advisory basket efforts for this worthy cause...your student:-)
