

# Wyrzykowski Advisory Newsletter

February, 2026

Dear Advisory Families,

Happy February! This is a busy month for seniors. Extended essay presentations will be at the end of the month. All seniors need to present as a graduation requirement.

Additionally, our annual Hike for Humanity will also be taking place the day before Mid-Winter break. The charity this year is the American League/VFW. Our student government executive board wanted to honor our former custodian, Mr. Lou Lacey, who was a beloved member of CSPA. We are suggesting a donation of \$25 for all students participating. This will get them service hours and the opportunity to support veterans in our community.

Finally, our snowcoming (previously Winterfest) dance will be held at Dunham Hills Golf Club on Saturday, February 21 from 7:00-9:00. The theme is Winter in Paris and everyone is looking forward to a great dance.

In partnership with you,  
Mr. Wyrzykowski

## Senior Reminders

- Submit Regular Decision applications (most deadlines are in January).
- Check college application portals for missing materials (transcripts, letters, test scores).
- Keep applying for scholarships!
- Keep grades up for those mid-year transcripts!
- Keep a list of admission decisions once you receive them

### ***CSA District Core Beliefs***

We Believe in:

- The education of the “whole child.” We address each student’s academic/ intellectual, social/emotional, moral/character and physical/sensory needs as we engage them in educational experiences.
  - Providing an education for students that honors their growth and development.
  - The importance of holding high expectations for our students’ progress and success in their academic/intellectual, social/emotional, moral/character, and physical/sensory achievements.
  - Using identified “best practices in education” as indicated by valid research in the field.
  - Continuous improvement activities as the vehicle for achieving and sustaining a standard of educational excellence.
  - The meaningful and purposeful involvement of all stakeholders in the education of our students.
