## Mihm Advisory Newsletter

### Dear Families,

We're almost to Spring Break and great weather! March is an action packed month with Spring Break, the CSPA trip to Europe, the end of the third quarter of school, and the Beluga Ball. The thing I am most excited about is spring break because I am lucky enough to be able to help put together the great upcoming trip to Dublin, Edinburgh, London, and Paris where an excellent group of teacher chaperones and Ms. Verklan and I leading a group of students on an adventure to learn.

Senior parents, please remember that senior parents night is on March 4th at 6:00pm in the CSPA high bay. The meeting will cover important information for senior honors night, prom, and graduation. Please be sure to mark it in your calendar and attend.

Junior parents, this is a reminder that the SAT will be taking place in early April, just over one week after we return from Spring Break. If you need additional information or resources about the SAT, please reach out to me and I will find some answers or connect you to another staff member who can.

If you have any additional questions, comments, or concerns, please reach out to me at any time!

- Alec Mihm

## **Big Future**

by The College Board

For our upperclassmen students, the idea of what comes after high school can sometimes be overwhelming and intimidating and it can be difficult even to know where to start. One helpful resource is the Big Future College Search through the College Board website. You can search colleges by multiple factors including location, school size, educational and extracurricular opportunities, acceptance rate, and more. Check it out using the link below:
