# Klaver Advisory

✦  
March 2026

Hello Advisory Families,

I hope you are doing well and that your student is settling into second semester. It has been great to see students adjusting to new classes and routines.

As coursework increases, we are emphasizing proactive communication and student responsibility. **If your student will be absent**, please encourage them to communicate ahead of time when possible. *Missed work and materials are the responsibility of the student, not the teacher.*

Please also take a moment to check that your student is enrolled in all Google Classrooms and that PowerSchool is accurately showing assignments. If something is missing or incorrect, students should reach out directly to their teacher.

Thank you again for your generous Beluga Ball donations. We also encourage families to bid on auction items beginning March 21, 2026.

Finally, Hike for Humanity and Snowcoming were both successful events, and it has been wonderful to see students so engaged in the school community.

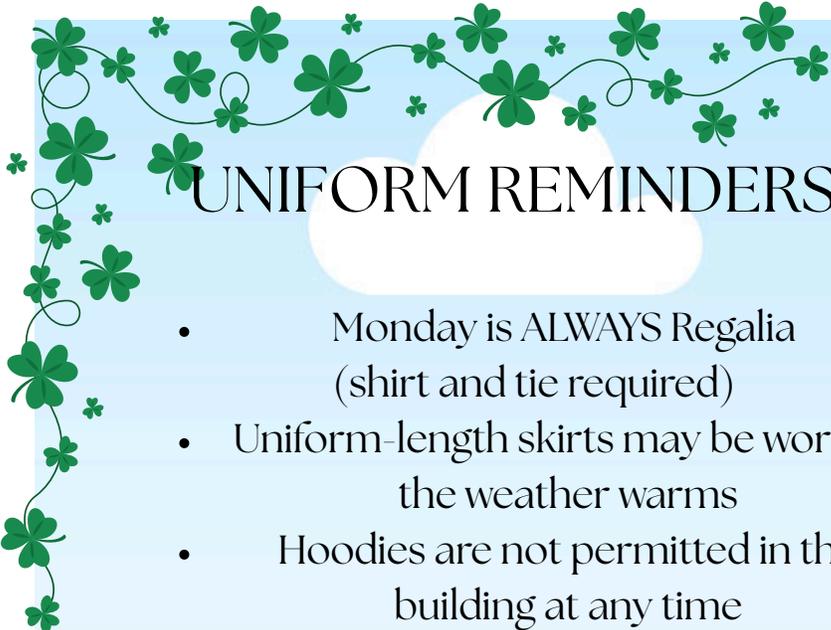

Mrs. Klaver

---
