

GUESS OUR FAVORITES

One of our favorite advisory games is “Guess Our Favorite” where we look at a list of favorites (such as games, books, movies, etc.) and try to guess who said what. Play along with us and see if you can identify whose favorites are whose from this month’s game where everyone listed their favorite animal, month, and place (answers on second page):

1. Dogs, October, Bloomington, Illinois
2. Ducks, December, Upper Peninsula
3. Gorillas, July, Emagine Theater
4. Chinese Water Deer, April, Germany
5. Horses, June, Tennessee
6. Mini Lops, December, Cody, Wyoming
7. Whale Sharks, July, Gulf Shores/Orange Beach
8. Evelyn, October, Amsterdam
9. Snakes, December, Bluffton, Ohio
10. Robino Bourke Parakeets, November, Rome
11. Cats, December, The South
12. Owls, September, Pink Sand Beach

Dear Figot Advisory Families,

Wishing a beautiful (and hopefully warming up) March to everyone! Before we discuss what awaits us in March, I’d like to take a look back at February so that we may take a moment to celebrate our amazing seniors who completed their Extended Essay Presentations!!! They all did such wonderful work crafting their essays, composing their slideshows, and delivering their speeches. I got to see everyone practice in advisory throughout the month of February and I was fortunate enough to see a couple of student’s final presentations live. They should all be incredibly proud of this huge culminating task they’ve completed, which now brings them one big step closer to graduation.

Looking ahead to March, we’ve got the end of the third quarter and the beginning of Spring Break already! For seniors, it’s important to mentally combat senioritis and remember that there is still work to be done. For juniors, it’s a great time to really capitalize on a year full of growth and momentum and continue into the end of the year with strength and determination.

-Ms. Figot

I SCREAM, YOU SCREAM, WE ALL SCREAM AT ICE CREAM PARTY

Thursday March 5

12:00-1:00 pm

For our most infamous party of the year, students will sign up to bring in ice cream and sundae bar toppings. I, on the other hand, will bring in the random contents of my refrigerator, each of which will correspond to a number (1-20). Then, everyone must roll a 20-sided die and eat one bite of ice cream with the matching accoutrement. Like a spoonful of chocolate ice cream with a dollop of fish sauce on it. Or a little scoop of cookie dough topped with barbeque sauce. No matter what, the results are endlessly disgusting and entertaining! Students will then get to cleanse their palette as they craft a delicious and decadent ice cream sundae. And, never fear, I don't make them suffer alone. I always let the students create a monstrous concoction for me that I take a bite of (and it's always absolutely horrid)!

You can use the following link to sign up for ice cream and sundae toppings to bring/send in for this magnificent party:
