March 2026

## A note from Mrs. Petricca

We're almost to Spring Break! March will fly by and we'll be at our break before we know it! I am personally very excited for Spring Break because that week I will going on the Europe Trip!

Senior parents, please remember that our senior parents night will be on March 4 at 6:00 PM in the CSPA Highbay. This meeting will go over Important Information for senior honors night, prom, and graduation! Please make sure that you are in attendance.

Junior parents, please remind your students that when we return from Spring Break they will be taking the SAT. This is a very important test that they should start reviewing for. Khan Academy is a great resource for those who need some extra practice on specific English and math skills. As always, if you have any questions or concerns, please reach out to me via email.
