Character Corner

Being a bucket filler in kindergarten means being kind, helpful, and caring every day. When we share our toys, say nice words, help a friend, or listen to our teacher, we help fill someone's invisible bucket with happiness. A full bucket makes people feel loved and special. We can all be bucket fillers by using gentle hands, kind words, and big smiles!

March Birthdays

Happy Birthday to the following student(s)!:

Siddiqah - March 5th

Bailey - March 11th

Holland - March 27th

Your child can bring in a Birthday Treat or Birthday Trinket to celebrate their birthday. We have 25 students in our classroom. Please email me at least 2 days before you plan to bring treats in!

If your child has a birthday that falls outside of the school year, then we can celebrate their half birthday or any other day that you would like! Just make sure to email me!

March Weather

Our playground gets super muddy this time of year! I ask children to please wear boots and sometimes even snow pants to protect their clothes from the mud as all the snow melts in the spring. Despite my best efforts it is not uncommon for a child to return from recess covered in mud. I highly recommend that all students have at least one change of clean school uniform clothes in their backpack or cubby at all times to change into in the event of a tumble into the mud, spilled yogurt at lunch time, or getting their clothes wet while cleaning out their paint cups or the myriad of other reasons a child might need to change their clothes during the school day. Please keep sending snow pants and boots through to the end of March.

March is reading month!!!

CSA students will be delving into many fun reading activities for March is Reading Month!

They will be participating in pajama/Read-In day, completing a Fairy/Folk tale book bracket, door decorations, starting our Fairy Tale unit and more! We are also asking for parents to come in to be guest readers.

Coming to you soon-please see email for a signup genius of appointment times for mystery readers.

For this month students will create a new book cover for their favorite book. Be sure they put the title and author on the cover. I can't wait to see their creativity!
