CHARYL STOCKWELL  
PREPARATORY ACADEMY

◆  
March 2026

*A Note from Ms. Verklan*

We're almost to Spring Break! March will fly by and we'll be at our break before we know it! I am personally very excited for Spring Break because that week I will be leading a group of CSPA students to the British Isles for an awesome European adventure!

Senior parents, please remember that our senior parents night will be on March 4<sup>th</sup> at 6:00 PM in the CSPA highbay. This meeting will go over Important Information for senior honors night, prom, and graduation! Please make sure that you are in attendance.

Junior parents, please remind your students that when we return from Spring Break they will be taking the SAT. This is a very important test that they should start reviewing for. Khan Academy is a great resource for those who need some extra practice on specific English and math skills.

As always, if you have any questions or concerns, please reach out to me via email.

### **Big Future** by The College Board

For our upperclassmen students, the idea of what comes after high school can sometimes be overwhelming and intimidating and it can be difficult even to know where to start. One helpful resource is the Big Future College Search through the College Board website. You can search colleges by multiple factors including location, school size, educational and extracurricular opportunities, acceptance rate, and more. Check it out using the link below:
