No School - Spring Break

A Note from Mr. Johnson

We have almost made it to Spring Break! The third quarter of the school year will end prior to students and staff leaving for spring break (March 27). Please reach out to me with any grade concerns and I will do my best to create a positive resolution before the midpoint of the semester.

The Beluga Ball will be held on Saturday, March 21st. Mrs. Palizzi has put together a Detroit Lions themed basket for our advisory this year! Students can bring any donations towards the Beluga Ball to their Advisory Period and I will make sure that are passed on to Mrs. Palizzi.

We are starting to prepare early this year for our Annual Beluga Ball that will be held on Saturday, March 21, 2026. This is CJA District Parent Council's largest fundraising event. The Beluga Ball, which features a Silent and Live Auction, will once again be virtual this year. It is inspiring to see our community come together to raise money that will be dedicated to the enhancement of educational programs for All CJA District students.

Our Advisory will be creating a basket(s) for the silent auction portion of the Ball. Our basket theme this year is "Detroit Lions".

We would like to start collecting items to put into our basket. All items must be new and we need to know the retail value of the items that you donate. The items can be purchased at a store (even on clearance) or items that you would like to gift. If you would like to donate for the Classroom basket, but don't want to go shopping, you can borrow our Live Beluga Ball Flip, Lounge Pillow, and she will be happy to purchase items on your behalf. Her Venmo is below. We are looking to collect any Detroit Lions items such as: hats, shirts, key chains, jewelry, socks, scarves, bumper stickers, etc.

Feel free to send your items in with your student and I will collect them in the Classroom to get to Mrs. Palizzi, or you can email her directly at palizzi@csaschool.org to coordinate getting the items to her for basket assembly. If like to thank you in advance for supporting our Advisory basket efforts for this worthy cause...your student! :)

Focus of the Month: IB Learner Trait – “Being Principled”

At the heart of the International Baccalaureate (IB) program is a commitment to developing not just strong students, but strong character.

This month, we are highlighting the Learner Profile trait “Principled”. Being principled means acting with honesty, fairness, and integrity. It means doing the right thing, even when no one is watching. Principled students take responsibility for their actions, admit mistakes, respect others, and stand up for what is fair and just.

In school, this looks like:

- **Completing work honestly**
- **Giving credit to others**
- **Following classroom expectations**
- **Speaking up when something is unfair**
- **Accepting consequences and learning from mistakes**

Beyond the classroom, being principled helps students:

- **Build trust in friendships**
- **Develop strong leadership skills**
- **Show respect for different cultures and perspectives**
- **Become responsible members of their community**

The IB program believes that academic success and character development go hand in hand. When students practice integrity and fairness, they are preparing not only for future academic challenges but for life. Together, we can help our students grow into confident, ethical, and compassionate leaders who make positive contributions to the world.
