April 2026

A note from Mrs. Petricca

I hope everyone had a wonderful and relaxing Spring Break. I spent my break traveling through the British Isles and Paris. Easter in Paris was a beautiful thing, but I'm happy to be back at home and start the home stretch for the end of the school year!

Junior Parents, please make sure that your students are aware of all of the testing that will be happening this month. They will be taking the SAT, M-STEP, and WIN test in the next few weeks so please make sure they are getting plenty of rest and eat a healthy breakfast.

Senior parents, this is the last full month of high school! It's crazy how quickly these four years have gone. While I'm looking forward to graduation, I am also extremely sad because this senior class has been one of my favorites and I will miss them dearly.

Erin Petricca
