

Charyl Stockwell Preparatory Academy

Mihm Advisory Newsletter

Dear Families,

I hope everyone had a wonderful time over Spring Break! I am thankful that I was able to take a group of students and parents on an adventure through Dublin, Wales, Glasgow, Edinburgh, London, and Paris to experience different cultures and history. It was a blast! It has definitely changed my perspective on the final stretch of the school year in a positive way.

Junior parents, please be aware of all of the testing days coming up for SAT, MSTEP, and the WIN test that are all required by Juniors. For SAT's it is customary that students are at the school early so that everyone can be prepared and ready to test on time without any delays. It is recommended that students get at least 6 hours of sleep and a healthy breakfast leading into testing days.

Senior parents...this is the final full month of the school year! April will be gone before they know it. Please help in supporting the senior class to get everything completed, turned in, and ready to go as they exit their senior year in May. These are bittersweet times because I am going to miss all of the wonderful seniors in the advisory and my classes, but I am excited to see them go and begin their futures as college students, skilled labor, or whatever they decide is the right pathway for them.

If you have any questions, ideas for fun activities or parties for the advisory, or any concerns, please feel free to reach out at any time.

- Alec Mihm

April At-a-Glance:

Monday, April 6 - School Resumes

Tuesday, April 14 - PSAT/SAT Testing for Freshmen-Juniors

Thursday, April 16 - M-STEP Testing for Juniors

Tuesday, April 21 - WIN Testing for Juniors

Thursday, April 23 - No School, CSRs

Friday, April 24 - No School, CSRs

Big Future
by The College Board

For our upperclassmen students, the idea of what comes after high school can sometimes be overwhelming and intimidating and it can be difficult even to know where to start. One helpful resource is the Big Future College Search through the College Board website. You can search colleges by multiple factors including location, school size, educational and extracurricular opportunities, acceptance rate, and more. Check it out using the link below:

<https://bigfuture.collegeboard.org/>
