

# Klaver Advisory

◆  
April 2026

Hello Advisory Families,

I hope you all had a safe, relaxing, and enjoyable spring break! It's so good to be back together and diving into the final stretch of the school year.

First, a huge **THANK YOU** to every family who helped make our St. Patrick's Day party so much fun! Your generous donations of supplies allowed us to enjoy bingo, a lively coloring contest, and plenty of festive cheer. The students had an absolute blast!

A special shout-out as well to everyone who shared snacks for our cabinet—the kids were Christmas-morning-level excited every time we opened the boxes and made fresh "mixes" for the daily snack basket. Your kindness and support truly make our advisory feel like a little family.

Looking ahead, Spring **Comprehensive Student Reviews are April 24-25**, and you'll also be able to access it through the Signup Genius emailed to you before break.

As we transition into the testing portion of the school year, please take a moment to review the second page of this newsletter for important information regarding **PSAT testing on April 14th**. Information about AP testing will be coming later in the month.

Mrs. Klaver
