April 2026

A Note from Ms. Verklan

I hope everyone had a wonderful and relaxing Spring Break. I spent my break trekking through the British Isles and returned to one of my favorite cities: Paris! Easter in Paris was a beautiful thing, but I'm happy to be back at home and start the home stretch for the end of the school year!

Junior Parents, please make sure that your students are aware of all of the testing that will be happening this month. They will be taking the SAT, M-STEP, and WIN test in the next few weeks so please make sure they are getting plenty of rest and eat a healthy breakfast.

Senior parents, this is the last full month of high school! It's crazy how quickly these four years have gone. While I'm looking forward to graduation, I am also extremely sad because this senior class has been one of my favorites and I will miss them dearly.

As always, if you have any questions or concerns, please reach out to me via email.

Thursday, April 23rd - No School, CSRs

Friday, April 24th - No School, CSRs

Big Future by The College Board

For our upperclassmen students, the idea of what comes after high school can sometimes be overwhelming and intimidating and it can be difficult even to know where to start. One helpful resource is the Big Future College Search through the College Board website. You can search colleges by multiple factors including location, school size, educational and extracurricular opportunities, acceptance rate, and more. Check it out using the link below:

<https://bigfuture.collegeboard.org/>
