Spring CSRs

A Note from Mr. Johnson

I hope that everyone had a relaxing Spring Break! Spring standardized season will be starting on April 14th. It is very important that students arrive to school no later than 8:45am on testing days.

Our Integrated US Studies classes will be taking a field trip to the Henry Ford Museum on April 15th. Permission slips will be handed out in class the week of April 6th and we are in need of parent chaperones. Please reach out to me if you are interested in chaperoning the trip!

I look forward to seeing everyone at Spring CSRs! The sign up link will be emailed out to reserve a time-slot.

IB Learner Profile: “Courageous Learners”

Risk-takers are students who are willing to try new things, take on challenges, and step outside their comfort zone. This doesn't mean being reckless—it means having the courage to learn, even when something feels difficult or uncertain.

In school, this might look like sharing an idea, asking a question, or attempting a tough assignment. These moments build confidence, resilience, and independence.

Families can support this at home by encouraging effort and celebrating when students try something new.

Being a risk-taker means being brave enough to grow.

PSAT Testing

The first PSAT testing will take place on Tuesday, April 14th.

Important reminders for students:

- **Please arrive no later than 8:45am.**
- **Testing room assignments will be shared in advisory on Monday, April 13th.**

We look forward to a smooth and successful testing experience for everyone of our students!
