

# Wyrzykowski Advisory Newsletter

April, 2026

Dear Advisory Families,

Happy April! As we return from break, there are a number of things on the horizon.

Junior Parents, please make sure that your students are aware of all of the testing that will be happening this month. They will be taking the SAT, M-STEP, and WIN test in the next few weeks so please make sure they are getting plenty of rest and eat a healthy breakfast.

Senior parents, this is the last full month of high school! It's wild to me how quickly these four years have gone. Even with all the stress of college preparation and graduation planning, I encourage all our seniors to take some time to enjoy their final months at CSPA.

In partnership with you,  
Mr. Wyrzykowski

Senior Reminders
<ul style="list-style-type: none"> <li>● Check college application portals for missing materials (transcripts, letters, test scores).</li> <li>● Keep applying for scholarships!</li> <li>● Help students navigate appealing financial aid packages if needed.</li> <li>● Keep a list of admission decisions once you receive them</li> <li>● Remind students about commitment deadlines (May 1 for most schools).</li> </ul>

## *CSA District Core Beliefs*

We Believe in:

- The education of the “whole child.” We address each student’s academic/ intellectual, social/emotional, moral/character and physical/sensory needs as we engage them in educational experiences.
- Providing an education for students that honors their growth and development.
- The importance of holding high expectations for our students’ progress and success in their academic/intellectual, social/emotional, moral/character, and physical/sensory achievements.
- Using identified “best practices in education” as indicated by valid research in the field.
- Continuous improvement activities as the vehicle for achieving and sustaining a standard of educational excellence.
- The meaningful and purposeful involvement of all stakeholders in the education of our students.
