## KINDERGARTEN:

This month we are learning about the artist Pablo Picasso as we re-create his famous painting Hands of Peace. This month is all about Spring projects.

## NAVIGATOR:

Navigator students are learning about the artist James Rizzi as we create a city skyline. Students are then going to add his style of facial expressions to their buildings. The rest of this month is all about Spring projects.

## VOYAGER:

Voyager students are going to be learning about artist Henri Rousseau. Students get to create their own jungle drawings showing their knowledge of foreground, middle ground, and background. The rest of the month is focused on Spring projects.

## EXPLORER:

We are wrapping up our clay unit to begin the month. Then students are creating a Pop Art style Self-Portrait before we collaborate with Mrs. Woolf on a math focused stain-glass window project.
