

Welcome to the heart of West Iceland - Húsafell

Our origin is rooted in an exploration of the natural world, which began with a simple desire to rediscover wild local ingredients and inspired by the Icelandic environment.

Committed to fresh ingredients, foraging and sustainability, we take care to source for exceptional ingredients from the most passionate farmers and producers around Iceland and Scandinavia - many of which have inspired and shown us that every ingredient has its place.

All our meat is raised and sourced in Iceland

Our Salmon and Char come from sustainable Land Aquaculture
