

**DECKMA**  
HAMBURG

# Certificate of Training

We herewith confirm that the below mentioned technician has attended the Deckma Hamburg training course and is able to give technical support for the complete range of Deckma Hamburg Bilge Alarms and industrial Oil-in Water Monitors.

The authorization for performing technical support and works on the Deckma Hamburg equipment is only valid if works are done on behalf of RWO GmbH.

Name: Thiyagarajan Veeramuthu  
E-Mail: rajan@npmarine.sg  
Service Partner: RWO GmbH

This authorization is limited for bilge alarms and measuring cells that are fitted to separators manufactured from RWO GmbH. Requests for equipment that are fitted to other makers separators must be sent to [post@deckma.com](mailto:post@deckma.com).

This certificate is valid until the: **December 31, 2025**

The validity and authenticity of this Certificate of Training can be approved by sending a request via email to [post@deckma.com](mailto:post@deckma.com).
